**Lenten fundraising CAFOD World Gifts** During Lent the parish and school joined together for Lenten fundraising. We hoped to raise enough money to purchase a £4,000.00 Health Clinic. Between us we have now managed to raise £4,124.40. This will not only buy the Health Clinic but also Water for three families and Trees for Life for three more families. The £4000.00 will pay for the running costs of a life-saving clinic in a remote community. It keeps the clinic stocked with medicines, medical equipment and even provides petrol for the clinic ambulance, giving vulnerable people vital access to much needed healthcare. We are making a BIG difference to a remote village with this absolutely essential facility. The rest of the money will provide three families with a supply of clean, safe water in their homes for drinking and cooking. Using a water pump also means families can wash in clean water, keeping everyone safe from infection. For three more families Trees for Life, each family will be supplied with five fruit tree saplings plus the tools and training to produce their own tree nursery. Not only will the trees provide fresh, nutrient-rich fruit to eat year after year, but the extra produce can be sold at market. Thank you to everyone for your generous donations.
