Thought for the Day

The sense of meal is what makes a family house a home. It is a place of loving encounters that deepens family and friendship ties. Hence, at meals bellies are not just being filled, at meals memories, laughters and joys are shared. It is a profound gesture of togetherness, harmony

and peace as the meal is never shared with a perceived enemy without reconciliation first. The Eucharistic meal in the same way is a Peace meal of reconciliation with God and our brothers and sisters. It is a meal of God's family, where the Church is the home of sharing for all.
