Survey: Covid-19 & Church-21 Catholic Voices was involved in a very successful survey and report during the first lockdown in May-July 2020. Over 2,500 Catholics in England and Wales and Scotland were surveyed, which has given us important insights into how people responded to the arrival of the pandemic. As we move towards a post-pandemic future, we would like to hear again from clergy and lay people about their current experiences and, crucially, what they feel about the future. To complete the survey go to www.birminghamdiocese.org.uk
